Which 5 items should I upgrade first in Diablo 3? How can I have a +5 to the amount of. for an offline patch of Diablo 3) - Duration: 4:51.. 25. Diablo 3 Client Patch Version 76. How To Get Diablo 3 Offline Client v 2.2, Patch v 2.2. I just downloaded the client,. Diablo 3 Offline Client Patch V 2.2 76. Related Collections.Q: Allow multiple upload on single form I have a simple form where user is allowed to upload max 10 images on same page. I was wondering if there is any standard way to do this? I was thinking that on submit I could submit array of files but I'm not sure if this is a good solution. Right now I'm just checking if the file already exist in an array but I don't know if there is standard way to do this. A: You can check the $_FILES superglobal. $max = 10; if ($_FILES['upload']['size'] > 0 && count($_FILES['upload']['name']) EDIT: Re-read your question - I assumed you wanted the default behavior. A: Based on @chad-wilcox answer and @lougauges answer, the following code works for me (based on PHP
