It is essential to save the two tracks you want to load to the Mapper.I'm Keith. I was born in 1946. I grew up in southwest Ohio and have worked in the hi-fi/audio world for 47 years. I've been married to my wife Sue for 30 years and we have two daughters. I purchased my first turntable back in 1963, a Technics SL-10C, a record player with no moving parts. I've always wanted an all-moving-parts turntable and a simple 10" speaker to replace my 7" kicker speaker. I like all things related to life in general. I like to watch music videos and rap videos, to experience concerts and productions. This site is about my experiences, about sharing music with my family and friends. I like to discuss how the world works and 1cb139a0ed
