PLUME AGATE JEWELRY

AGATE JEWELRY

This Agate is curated with the sheer attention to detail to compliment the wearer's wrist in the best possible way. The elegant design of this bracelet is something to fall for. It can be paired up with a wristwatch to take the overall appearance to a whole new level. A person's wrist is believed to be the path from which the stone's concentrated qualities & powers enter the body. Thus, it benefits the wearer to the maximum.

OPAL JEWELRY

This Opal Necklace is a beautiful piece of jewelry that will be the perfect partner for a delicate neckline. Including this necklace in the jewelry collection will be one of the best decisions anyone can make. Wearing this necklace on special occasions will add the vibe of the wearer's personality to the overall appearance. It becomes the head turner amongst the masses when flaunted with style and elegance.

MOLDAVITE JEWELRY

Wear the Moldavite ring to elevate your lifestyle as the crystal is known for transferring positive energies. The gemstone is also known as the stone of transformation. Wearing the ring will allow you to stay focused on your life goals and increase the possibilities of success. You can hold the ring on your index finger to get the maximum benefits of the crystal.

MORGANITE JEWELRY

- Morganite is the stone that occurs mostly in the shades of pink, ranging from pastel pink to a more bold orangish-pink. This stone belongs to the beryl mineral family that is the mineral category of emerald and aquamarine as well. Morganite makes a brilliant gemstone for 925 sterling silver jewelry that is designed to win hearts.

- This beautiful stone is sourced from the US, Madagascar, Afghanistan, Mozambique, Namibia, Pakistan, Myanmar. Morganite has been named after an American investment banker, J.P. Morgan. It is a stone with the energies and the vibrations that attract and preserve the unconditional love by enhancing the heart chakra.

PLUME AGATE JEWELRY

This Plume Agate Jewelry the mesmerizing gemstone will make a style statement and make the wearer stand out from the crowd. The dangles are sure to catch everyone's attention and get the one wearing them a deluge of compliments about the vibe.
